SOCOTEC

SOCOTEC Marine Services

SOCOTEC has established a long-standing reputation for technical expertise in marine sediment testing, offering robust extraction and analytical procedures that have been developed specifically for complex marine samples.

SOCOTEC's Marine Sediment analytical services are approved by all UK and Ireland regulators for dredging disposal applications, with every result conforming to Marine Management Organisation (MMO), Marine Scotland, Natural Resource Wales (NRW), Department of Agriculture, Environmental and Rural Affairs (DAERA - Northern Ireland) and Marine Institute (Republic of Ireland) Regulations.

Other marine services that SOCOTEC provides includes:

- Geotechnical investigations
- Marine water analysis
- Asbestos removal
- Environmental incident response
- Project management and air monitoring
- Hazardous materials surveys
- Concrete testing
